Dear Mr Bain,

Job Id: 26540482

I am writing to express my strong interest in Junior. NET Developer at your company. With my skills and background, I am confident that I will quickly surpass your expectations for Junior .NET Developer.

I am proficient in C#, ASP.NET, MVC, HTML 5/CSS and SQL, MY SQL, Web Services and have extensive experience with JavaScript, JQuery. My attention to detail, communication, requirement analysis skills have proven beneficial to various software and systems development projects for the business.

I have 6 years of experience in developing applications using back-end and front-end technologies. In my role as Engineer at Einfochips, I have been tasked with Backend Applications using .Net technologies with web services, database management using My SQL and SQL, communication with business analyst and product owners to refine requirements and documentation. I enjoy being challenged and working on projects that require me to work outside my comfort and knowledge set, as continuing to learn new languages and development techniques are important to me and the success of your organization.

A few skills I would like to highlight that would enable me to contribute to your bottom line are:

- Hands-on experience in designing and developing a system using web technologies including ASP.NET, C#, MY SQL, SQL SERVER, WCF, JavaScript, JQuery, HTML 5, CSS3, MVC, Knockout JS, Bootstrap.
- Experienced with the full software life cycle in larger collaborative development teams. Followed Agile SCRUM Developmental approach to deliver product releases by SPRINT processes in an iterative and incremental approach (SCRUM).
- Created and maintained project documentation. Proven track record of proper documentation for future maintenance and upgrades.
- Microsoft Certified Professional for developing ASP.NET MVC Web Application.

I would like the opportunity to meet with you to discuss the opportunities you have available. Please Let me know if you have any questions or anything further you need from me. You can reach me by email at priyanka140592@gmail.com or by phone at 647-687-0653.

Please refer to my resume for my full skills matrix and I hope to hear from you soon.

Yours sincerely,
Priyanka Khadilkar
